

Pre-K4 Supply List 2019-2020

Dear Parents,

Welcome to Pre-K4 at San Jose Episcopal Day School! We are looking forward to getting to know each of you and your children. In order to prepare for our school year, we would like to offer several suggestions.

Each day your child should bring a healthy sugar-free snack and one reusable bottle of water. We do not allow drinks other than water during the school day.

In order to ensure a hassle-free dismissal each day, please send a standard sized backpack large enough to accommodate a folder, snack sack, lunch box and any craft projects going home. Please avoid backpacks with wheels, as they are too large and heavy for the children to safely handle on their own.

As you know, we have a uniform dress code in Pre-K4. Please refer to the school handbook when purchasing shoes and other items your child will be wearing at school. **Be sure to label all clothing, including girl's cross ties and all outerwear.**

On "Meet Your Teacher Day" your child will need to bring the following supplies:

- 1 new pair of child scissors (pointed)
- 2 packs of 10 Crayola broad line washable markers
- 4 large glue sticks
- 3 large size containers of Clorox wipes
- 3 packages of baby wipes
- 2 boxes of tissues
- 1 box plastic spoons
- 1 can Lysol spray
- 1 box gallon size Ziplock bags
- 1 box quart size Ziplock bags
- 1 Wildkin Original Nap Mat (will be used through Kindergarten) - **this must be ordered separately if ordering supplies through EPI**
 - [Amazon](#)
 - [Wildkin](#)

If you are ordering pre-packaged materials through the school, they will be in your child's classroom on Meet Your Teacher Day.

*Please **do not label** any individual supply items as all supplies will be for general, classroom use.

****Please bring in an extra change of clothes (shirt, shorts, underwear, socks in a labeled Ziploc bag) to put in your child's cubby for any accidents that may occur.**

Throughout the year we welcome donations of items that we use often for art projects and frequently run out of, such as plastic utensils, paper or plastic cups, scrapbook paper or other decorative supplies, etc. If you have any extras at your home or happen to pick some up, we can use them! We also find uses for all sorts of household items. If you are cleaning out, feel free to ask us and we may find a project to recycle your items! We also love inexpensive items for our "Home Living" area and games.

Our program is a very nurturing, creative experience designed to meet the physical, emotional, social and intellectual needs of each child. Thank you for your support and the opportunity to partner with you in the education of your child. Have a wonderful summer vacation! We look forward to seeing you in August.

Sincerely,
Your Pre-K4 Teacher
