****The ISEE Test Prep Course** for 6th graders SJEDS is hosted by Mrs. Nunley. If your 6th grader is interested in joining the basketball team or any other afterschool activity on Thursday please contact Ms. Blumstein or the activity instructor if you have questions about doing both the ISEE Prep Course and another activity or sport. In most cases the test prep course has very little conflict with basketball games and many of the afterschool activities are offered later in the school year for your 6th grader. Mrs. Nunley will send out registration information for this course soon.

Detailed descriptions of each activity and online registration is available at sjeds.org or paper registration is available. Please contact Ms. Blumstein at ablumstein@sjeds.org with questions.
