

**Jose the Bear follows the CDC
recommendation of washing his paws for
20 seconds by reciting the school prayer!
Let's say it together.**

**Holy Spirit, Lord of love,
Come to our school today.
Work with us and play with us
And hear us when we pray.
Show us how to follow Christ,
In all we think and say and do.
For he was once a child like us,
And all our cares and joys he knew.**

Amen.
