The Fund for San Jose

Our **annual fund** is the backbone of our fundraising efforts, bridging the gap between costs covered by tuition and the cost of providing the standard of excellence for which we are known. **Each year, we ask every family to make a donation that is comfortable for them.**

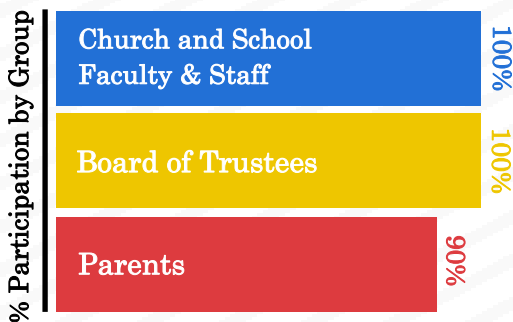

Participation, not the size of each gift, is key with **100%** of every gift going back into the classroom. Last year, through the generosity of parents, grandparents, faculty and staff, trustees, the church vestry, alumni, and friends, we raised **\$94,223** to enrich the academic success of your students.

A huge “thank you” to everyone who contributed to the success of last year’s annual fund campaign!

There are many ways to give...

- Estate and planned gifts
- Online donations at www.sjeds.org
- Matching gifts from your employer
- Gifts by check or cash
- Monthly pledge payments to your Smart Tuition account

Business Partners Program

Our Business Partners Program establishes a year-long, mutually-beneficial relationship with businesses that want to invest in SJEDS and make our school the best it can be. Your tax-deductible donation can even count as your family’s annual fund contribution. We offer a range of opportunities that vary in contribution and recognition.

See the SJEDS Business Partners Program letter for more details!

Every gift of time or money, no matter the size, fuels our mission of inspiring a passion for learning, a life of integrity, and a heart for Christian service.
