

Dear Parents,

It is with great pleasure that I serve as the Interim Head of School for the 2021-2022 school year. The staff is working diligently to ensure that your child has a meaningful, rich, and positive experience here at SJEDS. COVID protocol remains undecided. It is my hope to return to some sort of normalcy, but as the cases increase, it may become necessary to adjust our policies accordingly. We are monitoring local guidelines closely and will make a decision closer to the start of school. Our plan is to be flexible enough to allow modifications as new information is received, or as Government/Diocesan mandates change. It is, and has always been, our goal to provide procedures and policies for a safe return. I look forward to meeting all of you and getting to know your families.

In order to receive a classroom assignment, health forms and online emergency forms must be submitted by July 30. Health form information is on the enclosed checklist. An email from [sanjoseepiscopalap@sjeds.org](mailto:sanjoseepiscopalap@sjeds.org) with a link to complete your online emergency forms has been sent. If you have any questions or have not received this email, please contact the school office at (904) 733-0352 or email [office@sjeds.org](mailto:office@sjeds.org).

In an effort to provide increased professional development and collaboration for faculty and staff, we continue to have one early release day each month. This upcoming school year has wonderful things in store for our students. We look forward to helping each child continue to develop their own unique talents and gifts as they become the person God has created them to be. We can't wait to see your child's smile and hear about their summer adventures. Here's to a great year!

Sincerely,
