

San Jose Episcopal Day School's Business Partners Program

Support your school, promote your business

Dear Parents,

I am excited to announce the continuation of our Business Partners Program with enhancements that we implemented last year. The generosity and support of our 2020-2021 Business Partners helped fund necessary expenses such as facility improvements, strengthening programs, technology integration, and campus safety. This program also assisted with salaries, benefits, and professional development for our highly-qualified faculty.

If you have a family business or work for a business that would be interested in supporting SJEDS, please contact me or complete and submit the attached form. As your grateful partner, we will promote your business consistently throughout the year and encourage our community to patronize your business. A comprehensive list of opportunities and benefits is included on the back of this letter. **Please keep in mind that participation in the Business Partners Program by your family business counts as your family's annual fund contribution.**

As with most private schools, tuition only covers a portion of the cost of providing an exceptional education. SJEDS relies on money above and beyond tuition dollars to fund our programs and offerings while keeping tuition affordable for more students. This annual program provides a tax-deductible opportunity for your business to support San Jose Episcopal Day School and, at the same time, promote your business to an elite group of consumers that share a common interest—the education of our children.

*We encourage you to
patronize the generous
partners that support
our school.*

I hope your business and/or your employer will consider taking advantage of this mutually beneficial relationship. As always, I encourage your feedback and am happy to discuss any specifics of this program with you, including flexible payment options. Thank you for your consideration. The last day to send in your commitment form is Friday, August 27.

Warmly,

Brian Pargman
